Dear Sir/Madam

## CONQUESTA 2016- TOP 20 RESULTS

This letter serves to express our sincerest gratitude for your recognition of our exceptional achievement in the 2016 Conquesta Olympiads. We would like you to know that although we always strive to achieve academic excellence in our school, we were never aware that we would be placed anywhere within the Top 20 selections of Conquesta's annual Olympiads, let alone for attaining the 7<sup>th</sup> place in English and Life Skills for Grade 3, we are so proud of ourselves! What is more intriguing is that we were not even aware that there is a Top 20 Award, this came as a total surprise!

We are very grateful for this Award and it will indeed occupy a very conspicuous space in my office where it will attract the attention of anyone who enters it. Our objective now is to maintain our place in the Top 20 and strive to achieve more, thanks once more!

Yours sincerely  
F.N. Rozani  
(Principal)
