Bible Study – Year 4

Welcome to your Conquesta Olympiad. As you read and answer the questions, we hope that you enjoy and learn from the information. Once you have read the information and the questions carefully, you have to make a choice. When you have decided which of the answers is correct, completely fill in the matching square on your answer sheet using a 2B or a B pencil. For example, if the answer to question 4 is c, then neatly fill in the square containing c next to the number 4. See example below. Fill in only one square per question and make sure you completely rub out any mistakes so that the answer is clear.

Example:-

4.	a	b	c	d
----	---	---	---	---

Getting To Know Your Bible

The Bible stands out from other 'Holy Books'; it is actual human history. The Bible is the 'Word of God'. All the writings in the Bible were inspired by God, through different people, who wrote down what God inspired them to. The Bible has sixty-six books and tells us of God's interaction with historical people and nations. It reveals the meaning of life and our responsibility to our Creator.

The Bible is actually a collection of books, some long, some short. It is in two major sections – the Old Testament and the New Testament. This book of books is the world's all-time best seller and the world's most translated book, and includes true stories, parables, songs, poetry, laws, rules, sermons, letters, events in history and prophecies about the future.

Christianity was started about 2,000 years ago by the followers of Jesus Christ, Who is written about in the Gospels of the Holy Bible. As Christians, we believe in Jesus and everlasting life.
