Bible Study – Grade 6

Welcome to your Conquesta Olympiad. As you read and answer the questions, we hope that you enjoy and learn from the information. Once you have read the information and the questions carefully, you have to make a choice. When you have decided which of the answers is correct, completely fill in the matching square on your answer sheet using a 2B or a B pencil. For example, if the answer to question 4 is c, then neatly fill in the square containing c next to the number 4. See example below. Fill in only one square per question and make sure you completely rub out any mistakes so that the answer is clear.

Example:-

4.	a	b	c	d
----	---	---	---	---

The Prophets

Prophets had to be called by God, often through dreams or visions. Many didn't want to obey their calling, but God didn't take NO for an answer. Prophets not only listened to God; they also asked Him to make things happen, like signs to prove to people that they were genuine prophets. They had to keep up with the times and be able to predict the future accurately.

Prophets taught people to love God and obey His commands. Prophets were often unpopular because they had to tell the people what they didn't want to hear. They also wore hair shirts. These were a sign of mourning – the prophet was in mourning for the people.
