IsiZulu – Ibanga / Grade 5

IsiZulu – Ibanga / Graad 5

Welcome to your IsiZulu Olympiad. As you read and answer the questions, we hope that you enjoy and learn from the information. Once you have read the information and the questions carefully, you have to make a choice. When you have decided which of the answers is correct, mark the matching block on your answer sheet with a pencil cross. When you have finished the Olympiad and have checked that you have filled in all the answers, colour the blocks neatly with a sharp, dark pencil. Colour the whole block.

Welkom by Conquesta se IsiZulu Olimpiade. Ons vertrou dat jy dit baie sal geniet, en baie sal leer, terwyl jy lees en die vrae beantwoord. Nadat jy die inligting en die vrae noukeurig bestudeer het, moet jy 'n keuse maak. Daarna moet jy besluit watter een van die antwoorde mees korrek is, en die ooreenstemmende blokkie op die antwoordblad met 'n potloodkruis merk. Wanneer jy die hele olimpiade voltooi het en die antwoorde gekontroleer het, moet jy die blokkies met 'n skerpe, donker potlood inkleur.
