

## Conquesta 2026 Olympiads

### Grades 1–9 Cost, Subjects, Writing Date Guidelines, Number of Questions and Time Duration

#### Cost per student (all grades)

A once-off Enrolment Fee of R30,00 plus R30,00 per subject chosen.

If a student selects 4 subjects, he/she will pay R30,00 + (R30 x 4) = R150,00.

In some instances, two Olympiads are written on the same day. Time duration can be adjusted at the teacher's discretion.

**Schools within South Africa** with entries of R2 500,00 or less will receive their papers, certificates and results via email, and those with entries above R2 500,00 will have their papers and certificates couriered to their door.

**Schools outside South Africa** will have everything emailed unless they opt to pay for the courier costs.

### Grades 1, 2 & 3

Teachers can assist grades 1, 2 & 3 students by reading the text out aloud and letting them work in pairs or groups.
